

Membership Types 2021 - 2022

Junior Memberships

Starter Junior (Level 1)

Once you've tried the club and like the programme, we ask all players to become starter junior members. The starter junior membership acts like discount card and gets you £1 off each weekly coaching session.

Full Junior (Level 2)

The next stage of membership for our junior programme is aimed at our regular players. You receive a pound off the weekly coaching lessons but also have priority access to the promotions run by NB Tennis, for example discounted tennis camps and 10% in the pro shop. These members can book tennis courts between 3:30pm - 6:30pm, Monday - Friday, during the school holidays to encourage practise and play.

Under 18 Junior (Level 3)

These members have reached a competition standard and are being considered for development squads or junior team tennis and this allows you to book courts between 3:30pm - 6:30pm, Monday - Friday, year-round. You still receive a pound off the weekly coaching lessons but also have priority access to the promotions run by NB Tennis, for example discounted tennis camps and 10% in the pro shop.

Intermediate / U21 (Level 4)

This is our highest level of junior membership which allows squad players to be nominated by the head coach to be assessed for this membership by playing with adult members. If successful they have full access to the tennis club to play in adult sessions and to be considered for adult teams. You still receive a pound off the weekly coaching lessons but also have priority access to the promotions run by NB Tennis, for example discounted tennis camps and 10% in the pro shop.

Adult Memberships

Note: This session is for team members only however it is also available to other members by invitation of the team captains or the club captain. This membership also allows members to enter into the club winter & summer tournaments (fees may apply). This membership, unlike off peak adult membership, allows selection for adult teams. There is also now an established daytime club play session every Wednesday morning from 10:00 am to 12:00 pm. Full membership allows you to book the courts at any time they are free. You will also receive 10% discount in the pro shop.

Adult Off Peak

This type of membership allows court booking during off peak hours (9am - 3pm during term time). This will also entitle you a discount of £1 per session off the adult coaching sessions held in the daytime and evenings. Please note that this membership does not allow selection for adult teams and does not include Adult Social Play. You will also receive 10% discount in the pro shop.

Parent Membership

Oakwood Tennis Club cannot allow people to play on the courts who are not members or enrolled on an NB Tennis coaching session/lesson. This membership allows parents to play on court with a Full Junior player after coaching sessions if the courts are available. This type of membership does not allow you to book courts.
